7:45 pm Q& A with the audience

8:00 pm Closing

TERRA was born to transform children and youth into environmentally sustainable thinkers. TERRA is a fun and interactive film about the environment, presented in a platform through which the audience mixes in with the content by responding to a section of environment related trivia questions

"Education for sustainable development is critical to protect, preserve, and conserve the natural environment and to understand that opportunities and resources are not infinite in our world."
José Miguel Insulza, OAS Secretary General

*9 years and above, in Spanish without subtitles
